SAE caused by study procedure(s) SUPPAE.SAECAUSP No ☐ 20
Yes ☐

If Yes, please specify procedure(s) 21

Description of AE 22

Description of AE should contain the following:

* Report all symptoms

* Report the start/stop date, if possible

* Report the date of hospitalization and discharge date

* Investigator and study or clinical trial name

* Investigator's evaluation of the event and response

* Treatment plan (name of all drugs administered, and dose)

* Clinical course and outcome

* Any other relevant information to the case
